

LogiLink®

VR-SPACE 3D Glasses with Wireless Controller

Art. No.: AA0101

With these Logilink VR-SPACE 3D glasses, you can experience true virtual reality in all its beautiful 3D glory. Watch 3D movies on your phone anytime anywhere. The system doesn't need to be tethered to any exterior hardware, as all processors to drive the 3D experience are already built-in in most phones, which means you have absolute freedom of movement and are not restricted to any cables. Users can also adjust the distance between their smartphone and lens to ensure comfort.

Features:

- » Virtual reality 3D glasses
- » Suitable for smartphones with 3.5"-6" screen
- » Users can also adjust the distance between their smartphone and the lens to suit different needs
- » Secret images, other people unable to view anything, only the wearer himself
- » Conveniently watch at anytime anywhere whether sitting, lying down or standing
- » Support 3D for side-by-side video with an Android or iOS phone
- » Play game, music, take selfie and browse webpage with the controller

Compatible with 3.5"-6" smartphones

T-shaped strap to relief pressure around eyes and head

Optical Adjustment comfort for the eyes
