

LogiLink®

360° Panoramic Selfie

Art. No.: BT0039

Ideal tripod or selfie stick head for taking panoramic shots.

The BT0039 is a panoramic head equipped with three fold-out feet so that it can convert into a mini tripod to place on the table.

On the underside of the BT0039 is a standard threaded 1/4-20 fitting so that it can be attached to a tripod or selfie stick with 1/4-20 screw.

For example, Logilink selfie BT0032, BT0034 and BT0035, or AA0090 tripod or a standard tripod with 1/4-20 screw for your digital camera.

Just attach your action cam, digital camera or smartphone via the specific holders onto the panoramic head and then you are able to simply make a panoramic video and control the speed as well as the direction via the remote control.

Also, BT0039 is bundled with Bluetooth. When you pair the BT0039 Selfie with your phone via Bluetooth, enable you to use the remote control to trigger your mobile's camera shutter simply.

It is equipped with an internal battery-powered motor which lasts for 3 hours of continual use or 5 hours on standby. There is also a micro USB port to recharge the unit.
