ΣSmoke

Art. No.: SH0006

ΣSmoke is a wireless battery-powered smoke and heat detector, which sends an alarm signal as well as a notification to your smart phone or tablet when smoke or heat is detected. Suitable for ceiling and wall mounting, the device features a test button to test the function and a low battery signal.

Features:

- » Wireless smoke / heat detection sensor
- » Notification sent to smart phone or tablet when smoke / heat detected
- » Removable smoke chamber for easy maintenance
- » Automatic calibration and self test
- » Low battery and malfunction are under full supervision
- » Manual test button helps to verify battery status and alarm operation
- » Exclusive ΣLink enable various conditions to activate your smart life
- » Compatible with Medion® Smart Home Systems

Receive the alarm if smoke or heat detected
