

GameCinema Lite

HD Game Capture Lite

Art. No.: UA0269

A compact, USB powered HD game capturer. Using advanced hardware H.264 encoding to capture your gameplay from video sources including Xbox One, PS4, Wii in 1080P Full HD. Moreover, you can enjoy the games on a larger screen by connecting through HDMI connector to TV.

Features:

- » Pocket sized, USB powered HD video recorder
- » Provide two modes for operation: PC connected and Stand alone
- » One button to Record/Stop
- » Record with a USB flash drive in HD quality
- » Record at 720P(60fps) or 1080P(30fps)
- » With Microphone input for recording your games commentary
- » Supports PC connect mode: record, trim, upload and stream with Twitch and YouTube
- » Large screen HDMI pass-through to the TV
- » Multiple sources for picture-in-picture (add your webcam in screen)
